Be a Positive Role Model:
Children and youth **learn**
by your **example**, not just
by what you tell them.
Be fair and respectful
in all that you do.

You Have The Power:
Promote **positive thinking**
by reminding yourself of
three good things every
day. Make it a **family**
tradition at dinnertime.

**Young People Still
Need Support After
Violence Happens:**

Be there for them, **spend more time** with them, and **listen** if they want to **talk** about their feelings or worries.

Good Friends Matter:
Hang out with friends
who are doing good
things in school,
in the **community**,
and for their **families**.

**Young People Have A Lot
to Offer if You Let Them:
Help connect them to
businesses and organizations
that can value their energy,
vision, and potential.**
